PROFESSIONAL SUMMARY

MBA Finance candidate with internship experience in ledger reconciliation, journal entry review, bookkeeping, and financial-statement preparation at a Chartered Accountant firm. Skilled in Excel, Power BI, and financial statement analysis, with an MBA capstone project analysing five years of financial performance for a listed logistics company. Seeking entry-level Analyst/Consultant opportunities in Tax, Business Consulting, or Finance where analytical rigor, attention to detail, and strong communication can add value. Comfortable working independently or as part of a team, with a strong foundation in accounting principles and coursework in Income Tax, GST, Corporate Tax Planning, and International Financial Management.

CORE COMPETENCIES

Financial Data Review | Ledger & Account Reconciliation | Journal Entry Review | Bookkeeping | Financial Statement Preparation | Financial Statement Analysis | Ratio Analysis | Basic Taxation (Income Tax, GST, Corporate Tax) | Financial Reporting | Excel | Power BI | Analytical & Problem-Solving Skills | Attention to Detail
